Assignment #5 - Yoga

You will need to research yoga poses. Then you will need to send me evidence of YOU (not someone else) doing 3 different poses. I don't really care how you get me evidence of this. Basically I need to see video or photos of you doing the three poses. You can send these to my email, through Google Classroom, you can text them to me or we could set up a Zoom meeting and you could do them live. If you cannot get this evidence to me electronically, contact me and we will find a way to get this done. I'm open to any other means you can come up with.

Please keep in mind that everything in your photo/video needs to be school appropriate. That includes anything in the background, language and your clothing.
