

Attention all Seniors and Senior Parents!

For the second year, the yearbook will no longer come in two installments. Orrville High will be creating one full yearbook that will be handed out in August/September of the following school year when students return from summer break.

With that being said, if you are a senior ordering a yearbook, there are a few options for you to receive your yearbook:

1. If you order your yearbook online at www.yearbookordercenter.com with Job #3279, there will be an option to have your book shipped to your home address that you will provide at time of purchase. There will be an additional cost to have the book shipped. It's about \$10 and is included in the price of the yearbook. It will be shown as a "Mailed Book".
2. If you have a younger sibling who will still be attending **Orrville High School**, you can have your book sent home with them.
3. You may come and pick up your book during the following school year yourself. You will need to indicate to Ms. Sammons that you need your book held for you until you are able to come and pick it up. The final date your book will be held until will be **December 7, 2024**.

***Orrville High School is not personally mailing out yearbooks to students. The options above are the options available for you to receive your yearbook if you plan on purchasing one. If you have any questions about this, please see Ms. Sammons. Thank you!
