

District Update - Orrville City Schools

March 16, 2020

Office Hours

The Board of Education office, Orrville Elementary, Middle School and High School buildings will hold office hours from 8am - 3pm during the week of March 16-20, 2020. Please check the website for any changes to the office hours moving forward.

Communication

We will continue to use a combination of Blackboard calls and texts, district website and FinalForms emails to keep your family up-to-date

Receiving Home Materials

Packets are being put in the mail today and tomorrow. Preschool, Kindergarten and 5th grade packets are being hand-delivered on Tuesday, March 17. Packets vary in the sense that some have a week's worth vs two or three weeks. We will also be sharing links on our district website that are resources for home-based learning. We have been bombarded with resource sharing, so please be patient as we sort through them and decide what to send/share..

Grab-n-Go Lunches

Orrville City Schools will have free lunch sacks available daily for all students, beginning Wednesday, March 18 from 11:00am-12:00pm. These can be picked up in the Orrville High School bus lane along Ella St. or at St. Agnes Church on the corner of E. Oak and Lake Streets.

School Events & Extra-curricular Activities

It probably goes without saying, but all school events and athletics are postponed or cancelled for this extended spring break period. The status of class trips, graduation, prom and other end-of-year events in May are unknown at this time.

Progress Book & Grades:

The third nine weeks ended March 12. Report cards will be mailed home in the coming days. Due to our school closure and home based instruction, we will not be posting grades in Progress Book during this time.

Contact Information

Orrville Elementary	330-682-1851
Orrville Middle School	330-682-1791
Orrville High School	330-682-4661
Orrville Board Office	330-682-5811

All staff email addresses are listed under Staff Directory on the district/school websites
