

Hello, everyone! I miss you all! I have added assignments for the 3 weeks of school after spring break, which will be weeks 4, 5, and 6 of our at-home learning. Please complete all of the lessons in week 4 before moving on to week 5. Then, all of the lessons in week 5 need to be completed before beginning week 6. The lessons in spelling city will not appear when you log in to the site until the week they are assigned for. I will be checking all of the lessons and tests that you complete, so please take your time and do your best. Please do not try to get everything done just in a day or two. You have PLENTY of time!!! If you ever have any questions about any of the work, please message me on here, email me through google mail (your school email), or send to my district teacher email [orvl\\_zook@tccsa.net](mailto:orvl_zook@tccsa.net). I want to be able to help you whenever and however I can.

Don't forget to keep working on the 5-book requirement summaries. Try to get one done each week. You can also do i-Ready lessons when your other work is done. It's time to take responsibility for your learning so that you will be able to move on to the 6th grade next year! You can do this!!! We can do this!!! Rider Strong!

-Mrs. Zook

Week 4: (google classroom code is iu4xd7d)
