If your child isn't due for a physical exam soon due to insurance policies, the most recent physical must be submitted with the understanding that an updated form will be required during the year. The exams are valid for 13 months. The physician must complete the Child's Medical Statement (included in this packet) that verifies all required immunizations. No child will be permitted to attend class without a completed child's medical statement. Please discuss the need for the HIB vaccination with your physician. A hemoglobin test is suggested by preschool guidelines. Note: the 5th DPT and 4th polio immunizations do not need to be given before preschool. The Health Department recommends these be given prior to kindergarten entrance.

Dental Examination-a dental exam is needed each year, form to be completed and signed by the dentist
